DEAR PARENTS:

The mission of the All Sports Camp is to improve the health and lives of the campers we serve. Since 2004, we have worked to provide children enriching and safe summer camp experiences. Research has shown that camp experiences increase a child's confidence, self-esteem, social skills, and independence. Here are a few highlights of the All Sports Camp difference:

Leadership of the site director – Leadership matters! Last summer, 99% of parents reported being satisfied with the leadership of the site director.

Quality counselors – We work tirelessly in the hiring process and our training to find the best counselors for your child.

Price – We do not charge for before and after camp services or field trips. All services are included in the per week pricing.

Activities – Our activity schedule was created by varsity sports coaches and credentialed physical education teachers.
